AIS SERVICES, LLC CONVERTS TO CONTINGENCY COLLECTIONS

San Diego, CA – June 25, 2010 – Now more than six months into building its pipeline of contingency clients, AIS Services, LLC (“AIS”) has proven that it can transform itself into a top class contingency agency. Since this conversion, the company has experienced growth that has been unprecedented in its five year history. Led by a new management team, AIS is focused on continuing to provide the level of service that has led to the growth.

Recognized by Goldline Research as one of the top Leading Collection Professionals, AIS Services, LLC will continue expanding its services in contingency debt collection. The company is an active member of many industry associations, including ACA International, Debt Buyers Association (DBA), and the California Association of Collectors (CAC), and also maintains an A+ rating with the Better Business Bureau (BBB).

“I am thrilled to see the direction that AIS is heading, especially during these volatile financial times. The growth we are experiencing has me very excited for the future of the company.” *Alan Minard, Director of Internal Recoveries*

“The success of the last six months has never before been experienced by this office and is, in large part, due to the mutually beneficial relationships we have established with our contingency clients. We look forward to expanding on these relationships as well as the opportunity to service new clients in the months to come.” *David Acheatel, CEO*

Always putting compliance first, over the past five years AIS has developed strong expertise in a wide array of products, proving it can build revenues around even the most challenging business. Today, AIS stands out in first or second place in most competitions conducted by its contingency clients.
