**RE: Important Announcement Regarding Changes of Management Personnel at AIS Services, LLC**

Dear Friend of AIS Services,

Many of you have grown to know Sergio Seplovich well over the past 5 years. As the Managing Director of AIS Services, Sergio has overseen a period of extremely rapid growth for the Company.

Sergio recently stepped down from this position to pursue other initiatives. We hope to work with Sergio in the future on a consultancy basis, but going forward please see below the personnel who will now cover Sergio's previous responsibilities.

David Acheatel, *Manager*: [dacheatel@incomesciences.com](mailto:dacheatel@incomesciences.com) tel: (858) 633-8247  
Alan Minard, *Dir. of Internal Collections*: [aminard@aisservicesllc.com](mailto:aminard@aisservicesllc.com) tel: (858) 225-6790  
Rhodel Magat, *Manager*: [rmagat@aisservicesllc.com](mailto:rmagat@aisservicesllc.com) tel: (858) 633-8248  
Audrey Williams, *Controller*: [awilliams@incomesciences.com](mailto:awilliams@incomesciences.com) tel: (858) 633-8250  
Gus Demos, *Dir. of Marketing*: [gusdemos@aisservicesllc.com](mailto:gusdemos@aisservicesllc.com) tel: (312) 375-3887  
Jonathan Gurwitt, *Client Support Specialist*: [jgurwitt@aisservicesllc.com](mailto:jgurwitt@aisservicesllc.com) tel: (858) 633-8246

The majority of AIS Services' time is now focused on building its Contingency Collections business. As a result, we have put an aggressive growth plan into action where we anticipate at least doubling staff before the end of the year. Perhaps the most important aspect of this growth plan is our project that focuses on new operations in Manila, Philippines, spearheaded by Rhodel Magat. We will be experimenting with outsourcing both administrative functions as well as call qualifiers. In addition, I have become increasingly active in AIS Services since our sister company has been closing down many of its investment funds as a result of their four year terms coming to a close.

Sergio has been a valued member of our team since AIS Services was established in 2005 and we wish him the best in his new endeavors. He will be deeply missed.

Please contact any of us directly with any questions, and, as always, feel free to contact me directly at (858) 633-8251.

Best regards,
