FOR IMMEDIATE RELEASE

Debt\$Net® Announces New Head of Technical Support Department

Poulsbo, WA, July 23, 2010 – Debt\$Net® Collection Software, a pioneer in the development of collection agency software, announces that Justin Brien has taken over the position of Head of Technical Support. Formerly the Head of Training for Debt\$Net®, Justin will bring not only his years of management of training and sales, but also his extensive knowledge of the collection industry.

Founded in 1987 by principals Tony La Magna and Gary Grout, the company has developed and provides the industry their premier core product, Debt\$Net®, as well as supporting software modules, training, custom programming, and technical support.

Debt\$Net® has provided collection agencies, law firms, debt buyers and in-house collection departments with one of the most comprehensive debt collection systems in the industry. Proven in the field, Debt\$Net® collection software has satisfied the debt recovery requirements for over 1,000 companies specializing in Retail, Commercial, Medical, Receivables Management, and Check Collections. Debt\$Net® users can be found throughout the United States, as well as Canada.
