

## **Teffia Inc., Phoenix-AZ – Press Release, March 7, 2018**

**Teffia Inc., a Woman Owned Small Business (WOSB), is excited to announce that we are officially certified by the U.S. Small Business Administration as a Woman-Owned Small Business (WOSB) and HUBZone-qualified company.**

“While we have been proud to be a woman-owned organization for some time now, I am extremely proud to announce our new designation as a Woman-Owned Small Business and HUBZone certified company. This certification emphasizes our strong commitment to providing economic growth and employment opportunities in a Historically Underutilized Business Zone. “As one of only a few qualified Call Center and Business Process Outsourcing (BPO) companies in the US, we are anticipating significant growth this year through our HUBZone certification, we can offer the opportunity for organizations from Federal government and the private sector to meet their diverse spending goals by providing our clients access to highly skilled resources at extremely competitive rates. ,” said Anna Donnelly, President of Teffia Inc. Teffia Inc. offers unique advantages to our clients as our selective approach to client relationships, paired with unique mentoring agreements, provides both the focus and responsiveness of a small firm, as well as the capabilities and stability of a large company.
